OPEN

ACTS 17: 10-15 NKJV

10 Then the brethren immediately sent Paul and Silas away by night to Berea. When they arrived, they went into the synagogue of the Jews. **11** These were more fair-minded than those in Thessalonica, in that they received the word with all readiness, and searched the Scriptures daily to find out whether these things were so. **12** Therefore many of them believed, and also not a few of the Greeks, prominent women as well as men. **13** But when the Jews from Thessalonica learned that the word of God was preached by Paul at Berea, they came there also and stirred up the crowds. **14** Then immediately the brethren sent Paul away, to go to the sea; but both Silas and Timothy remained there. **15** So those who conducted Paul brought him to Athens; and receiving a command for Silas and Timothy to come to him with all speed, they departed.
