OPEN

ACTS 12: 1-10

1Now about that time Herod the king stretched out *his* hand to harass some from the church. **2** Then he killed James the brother of John with the sword. **3** And because he saw that it pleased the Jews, he proceeded further to seize Peter also. Now it was *during* the Days of Unleavened Bread. **4** So when he had arrested him, he put *him* in prison, and delivered *him* to four squads of soldiers to keep him, intending to bring him before the people after Passover.**5** Peter was therefore kept in prison, but constant prayer was offered to God for him by the church. **6** And when Herod was about to bring him out, that night Peter was sleeping, bound with two chains between two soldiers; and the guards before the door were keeping the prison. **7** Now behold, an angel of the Lord stood by *him*, and a light shone in the prison; and he struck Peter on the side and raised him up, saying, "Arise quickly!" And his chains fell off *his* hands. **8** Then the angel said to him, "Gird yourself and tie on your sandals"; and so he did. And he said to him, "Put on your garment and follow me." **9** So he went out and followed him, and did not know that what was done by the angel was real, but thought he was seeing a vision. **10** When they were past the first and the second guard posts, they came to the iron gate that leads to the city, which opened to them of its own accord; and they went out and went down one street, and immediately the angel departed from him."
